ARTICLE II MEMBERSHIP IN ASSOCIATION

Section 1. Membership.

Section 1.1 **Membership of Association.** Every person or entity who is a record owner of a fee or undivided fee interest in any Lot shall be a member of the Association. The foregoing is not intended to include any persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification of membership. As evidence of each Owner's membership, each Owner shall deliver to the office of the Association a photocopy of the page(s) of the deed(s) which contains the name of the Member and the Lot(s) owned by such Member.

Section 1.2. **Classes of Membership.** The Association shall have two (2) classes of Membership:

Section 1.2.1 **Class A Members.** Every person, group of persons, or entity which is a record Owner of a fee interest in any Lot is a Class A Member of the Association except the Declarant during the Development Period; provided, however, that any such person, group of persons or entity who holds such interest solely as security for the performance of an obligation shall not be a Member.

Section 1.2.1 **Class B Members.** The Class B Member during the Development Period shall be the Declarant. The Class B Membership shall cease and be converted to Class A membership upon the expiration of the Declarant Control Period.

Section 2. **Suspension of Membership.** During any period in which a Member shall be in default in the payment of any assessment levied by the Association which constitutes

a lien upon the Member's Lot(s) the voting rights of such member may be suspended by the Board of Directors until such assessment has been paid.

Section 3. **Voting Rights.** All members shall be entitled to one vote for each Lot in which they hold the interest required for membership. When more than one person hold such interest in any Lot, all such persons shall be members. The one vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot, and no fractional vote may be cast with respect to any Lot. A Class A Member shall not be entitled to exercise any vote until the expiration of the Declarant Control Period.

ARTICLE III ASSOCIATION MAINTENANCE – ROAD MAINTENANCE

The Association, acting through its Board of Directors, shall maintain, repair or replace the Common Areas. The Association shall make the determination as to when maintenance, repair, replacement and care shall be done, and its determination shall be binding. Declarant has the right to employ a manager to oversee and implement the Association's maintenance obligations. The association shall pay any such management fees incurred in such oversight. Unless accepted by the North Carolina Department of Transportation, any subdivision roads or streets may not be constructed to the minimum standards required to allow inclusion for maintenance purposes on the North Carolina Highway System. Unless and until accepted by the State of North Carolina, neither the North Carolina Department of Transportation nor Wilson County will maintain the subdivision roads or streets.

Additionally and after the issuance of a certificate of occupancy for a dwelling on a Lot, the Association shall maintain and pay the cost of utilities, both water and electricity, to operate the lawn irrigation systems located upon each lot, shall control the schedule and time of irrigation, shall fertilize the Front Yard lawns on each lot, and shall provide for the cutting of lawns of the Front Yard of each lot.

ARTICLE IV ASSESSMENTS

Section 1. **Creation of the Lien and Personal Obligation of Assessments.**
The Owner of a Lot by acceptance of a deed therefore shall be deemed to covenant and agree to pay the Association annual assessments or charges. The assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with such interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of the Lot at the time when the assessment fell due and shall not pass to his successors in title as a personal obligation unless expressly assumed, regardless of the fact it is a lien on the Lot.

Section 2. **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively for the purpose of defraying the cost of the Association in performing its duties and exercising its authority as outlined in this Declaration, and its By-Laws, including, but not limited to, payment of premiums for liability insurance, taxes, if any, maintenance and repair of the Common Area and any improvements thereon. All monies collected by the Association shall be treated as the separate property of the association, and such monies may be applied by the Association to the payment of any expense incurred in the administration of the Association, or to the proper undertaking of all acts and duties imposed upon it or authorized by virtue of this Declaration and the By-Laws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by other Owners. Although all funds and common surplus, including other assets or the Association, and any increments thereto shall be held for the benefit of the Members, no

Member shall have the right to assign, hypothecate, pledge or in any manner transfer his interest therein except as an appurtenance to his Lot. When an Owner shall cease to be a Member by reasons of his divestment of ownership of such Lot, by whatever means, the Association shall not be required to account to such Member for any share of the funds or assets of the Association, or which may have been paid to the Association by such Member, as all monies which any Member has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Association.

Section 3. **Annual Assessments.** The initial annual assessment for each Lot shall be One Hundred Eighty No Cents Dollars (\$180.00) per Lot until January 1, 2025. Annual Assessments thereafter may be increased or decreased by the Board of Directors of the Association.

Section 4. **Uniform Rate.** Annual assessments must be fixed at a uniform rate for all Lots and shall be collected annually or upon such other basis as the Board of Directors shall deem advisable. Provided, however, that assessments levied for the cost of reconstruction, maintenance, repair or replacement of improvements due to the willful or negligent acts or a Lot Owner, his family, guests or invitees, shall be assessed against the Lot within ten (10) days following completion of said reconstruction, maintenance, repair or replacement.

Section 5. **Date of Commencement of Annual Assessments Due Dates.** The annual assessments provided for herein shall commence as to each Lot on the first day following the conveyance to the Owner other than Builder. The first annual assessment shall be adjusted according to the number of days and months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner. The due date shall be established by the Board of Directors. The Association shall, upon demand at any time, furnish a certificate in writing, signed by an officer of the Association, setting forth whether the assessments on a specified Lot have been paid.

Section 6. **Effect on Non-Payment of Assessments.** Remedies of the Association: Any assessment or portions thereof which are not paid when shall be delinquent. If the assessment or portion is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the highest rate per annum allowed by law, but in no event to exceed fifteen (15%) per annum, and the Association may (1) accelerate the due date for all installments of assessments and declare the same due and payable, and (2) bring an action at law against the owner personally obligated to pay the assessment, and interest, costs, late payment charges and reasonable attorney's fees of any such action shall be added to the amount of such assessment, and/or (3) bring an action to foreclose the lien granted to the Association in the same manner that real estate deeds of trust and mortgages may be foreclosed in the State of North Carolina. The lien granted to the Association shall further secure such advances for taxes, and payments on account of superior mortgages, liens or encumbrances which the Association may at its option advance in order to preserve and protect its lien, and the Association shall further be entitled to interest at fifteen (15%) percent per annum on any such advances made for such purpose. All persons, firms or corporations who shall acquire by whatever means, any such interest in the ownership of any Lot, or who may be given or acquire a mortgage, lien or other encumbrances thereon, are hereby placed on notice of the lien rights granted to the Association and shall acquire such interest in any Lot expressly subject to such lien rights.

Section 7. **Lien for Nonpayment of Assessments.** The lien herein granted unto the Association shall be enforceable from and after the time of recording a claim of lien in the public records of Wilson County, North Carolina, which claim shall state the description of the lot encumbered thereby, the name of the Owner, the amount due and the date when due. The claim of lien shall be recordable any time after the delinquency and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid. Such claims of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus

interest, costs, attorney's fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. No owner may waive or otherwise escape liability for the assessment provided for herein by abandonment of his Lot.

Section 8. **Fines.** Each Owner shall abide by the terms and provisions of these covenants and any subsequent rules that may hereafter be adopted by the Association. Failure by an Owner, its family, guests or invitees to abide by these covenants or subsequent rules may result in a fine not to exceed \$100 per day for any violation. These fines are in addition to any costs or expenses incurred by the Association to correct or remedy any such violation, all of which shall be due upon demand by the Association. Any such fine or costs not paid within ten (10) days may be enforced or collected by the Association in the same manner provided for the nonpayment of assessments.

Section 9. **Subordination of the Lien to Mortgage.** The lien of the assessments provided for herein on any Lot shall be subordinate to the lien of any mortgage or deed of trust duly recorded in the Wilson County Registry on such Lot given by the Owner to secure an indebtedness to any bank, savings bank, savings and loan association, or any similar financial institution. Sale or transfer of any Lot shall not affect the assessment lien.
